F.C Malhotra

1939 - 2021

A man with a vision to make India one of the most reliable and trusted manufacturing hub of the world. He always strived for the betterment of Automobile Industry

*"He held every hand that reach out to him
and led them to a better tomorrow"*

SERVING SINCE **1960**

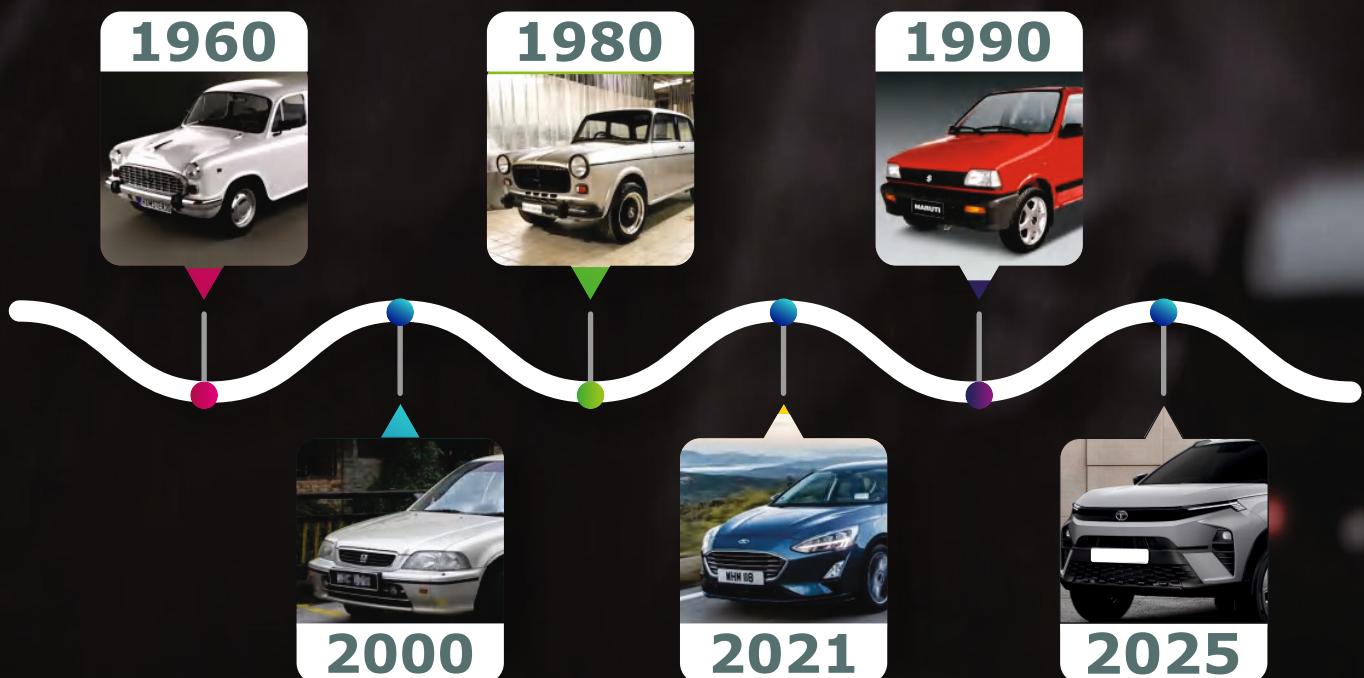

When, our founder Mr. F.C. Malhotra started, soon, we became the first company in the field of Indian replacement market of these products. We have a strong distribution network all over India which allows us to meet the delivery schedules.

For manufacturing our qualitative automobile parts range, we have acquired advanced machines such as CNC drill tap center, CNC turning centre and CNC vertical machine center.

These machines are highly efficient and are regularly tested to ensure their highest efficiency. This enables us to meet our production

AUTOMOTIVE INNOVATIONS NEVER STOP

As magical is a well established firm, We are distributing our qualitative range of auto parts to our clients. Our excellent experience for more than 60 years has helped us to understand throughly the needs of our clients.

WE HAVE WITNESS
THE EVOLUTION OF
INDIA AUTO INDUSTRY

Always striving to innovate your car

MODERN MACHINE FACILITIES

QUALITATIVE PARTS

We have acquired advanced machines such as CNC drill tap center, CNC turning centre and CNC , Vertical machine center. These machines are highly efficient and are regularly tested to ensure their highest efficiency.

HIGHLY EFFICIENT

These machines are highly efficient and are regularly tested to ensure their highest efficiency. This enables us to meet our production. Our Product are offered in standard as well as customized options as per the specifications of our customers.

QUALITY ASSURANCE

We have implemented strict quality control policy, on the basis of TQM system. As per this policy, each and every process conducted in the firm will be under the strict supervision of our quality auditors.

INDEX
